

## CAUTION – THIS PRODUCT MUST BE INSTALLED BY A LICENSED ELECTRICIAN OTHERWISE ALL WARRANTY IS VOID

Contessa Lighting's Saturn Nimbus Pendant Lights electrics and frames are warranted for the period stated below provided the fitting was installed by qualified licenced electrical contractor in compliance with your local applicable regulations and relevant legislation.

Contessa Lighting does not warrant claims based on defects or damage caused by improper installation, improper operation, misuse and/or modifications carried out by the purchase or third parties. This will result in the warranty being void.

To query our warranty terms, please contact us using the contact information below.

### SURGE PROTECTION

Surge protection must be installed on the mains supply to avoid damage to LED's and drivers due to transient voltage

Contessa Lighting will not warrant fittings that have been damaged by spikes in voltage power supply.

### PRODUCT CARE

Contessa Saturn Nimbus pendants require the attention and care that you would apply to furniture or other soft furnishing decorations to keep the pendants clean.

DO NOT use any strong cleaning agents on the Nimbus pendants. Any use of cleaning agents will possibly dis-colour and ruin the powder coated finish. To clean dust off Timber pendants, gently vacuum off the dust using the soft brush attachment to a vacuum cleaner or use a soft damp cloth.

We will not replace free of charge any Nimbus Pendant that is damaged from any cleaning product.

To maintain the appearance of Contessa Nimbus Pendants, regular dusting and care is important.

Saturn Nimbus Pendants are designed for interior use only. These fittings are not designed to come into contact with water or steam.

Keeping the LED lamps and electrical components clear of dust and grime will assist in the longevity of the fitting.
