

WARRANTY

CAUTION. This product must be installed as per the installation instructions otherwise all warranty is void.

Contessa Downlights are warranted for a period of three (3) years. The warranty only applies to the electrics and structure of the downlight providing the downlight was installed in compliance with your local applicable regulations and relevant legislation.

Contessa Lighting Pty Ltd does not warrant claims based on defects or damage caused by improper installation, improper operation, mis-use and/or modifications carried out by the purchaser or third parties. This will result in the warranty being void.

Contessa Lighting Pty Ltd warranty does not cover fittings that have been damaged by spikes in voltage power supply.

For additional warranty information, please contact our national sales office on 1300 887 948 or email sales@contessalighting.com.au.

PRODUCT CARE

Contessa downlight texture finishes can be cleaned using water or cleaning agents such as methylated spirits. Be careful not to use solvents such as acetone or equivalent products that would damage the powder coated surface.

The downlight is IP65 rated for outdoor use however care should be taken not to immerse the downlight in water.

Please following the installation spacing directions on the data sheet. The downlight should be installed in ventilated areas to ensure the LED does not overheat.

Keeping the LED lamps and electrical components clear of dust and grime will assist the long life of LED lamps.
